

2018 Nevada Public Health Association Annual Conference
EVIDENCE-BASED PRACTICES INFORMING AND LEADING THE FUTURE OF NEVADA
September 26-27 | Alexis Park Resort | Las Vegas

Dear Prospective Exhibitor/Supporter:

On September 26 – 27, 2018, the Nevada Public Health Association will convene its annual conference in Las Vegas, Nevada.

The theme of this year's conference is *Evidence-Based Practices Informing and Leading the Future of Nevada*. This year's conference will feature presentations from a number of nationally recognized experts in public health, as well as current research undertaken by public health professionals and students in Nevada.

We are currently in the process of contacting organizations and exhibitors for support. Your support will raise your visibility and allow us to keep conference registration costs low, encouraging the participation of students and others with limited funds for conferences and travel.

The conference is open to all public health and health care professionals in Nevada and the region, and we expect 100 to 150 attendees.

The attached form describes different levels of support and the associated benefits at each sponsorship level. I hope you will take a moment to review that form and consider support for this important and timely conference.

If you have any questions about the Nevada Public Health Association or the 2018 NPHA Annual Conference, please do not hesitate to contact me at (702) 803-4513 or lisasegler1@gmail.com. For information concerning exhibit space or payments, please contact Melissa O'Brien at (775) 784-1983 or mdobrien@med.unr.edu.

Sincerely,

Lisa Segler, MPH, CHES
NPHA President-Elect

SPONSORSHIP OPPORTUNITIES

Your sponsorship of the NPHA Conference supports the only annual conference specifically designed for public health professionals throughout Nevada to engage in public health education, collaboration, and networking, while providing your agency exposure to this diverse group of health professionals. Providing a sponsorship is an excellent way for your organization to show its commitment to public health in Nevada.
