

## **NPHA Scholarship Privacy Policy**

Your participation in the Nevada Public Health Association (NPHA) Scholarship is voluntary and you may choose whether to participate. To be considered for a scholarship, you are required to submit data electronically so that we may review and consider your application in order to select award recipients.

By submitting an application, you consent to the processing of your personal information by NPHA for the purpose of reviewing and considering applications and selecting award recipients.

All information submitted will be kept strictly confidential and never disclosed to anyone outside of the NPHA Scholarship Committee. All scholarship communication will come from the NPHA Scholarship Committee via email using the information provided on file, and will only be used to contact Scholarship winners.

Scholarship winners who accept their award may be asked for permission to post a short biography and headshot that may be displayed in a newsletter, social media communication, or at the annual conference.

### **Information Collected**

This NPHA Scholarship site collects information you voluntarily provide through the site, which may include personal information (such as your experience information, essay response, etc.). Qualtrics is the mode in which this information is collected, and their privacy state applies to this policy:
